

GOD'S LOVE IS A GIFT

GIVE IT TO SOMEONE YOU KNOW

Invite someone to worship
All Are Welcome Sunday

All Are Welcome Sunday

Questions to consider this week:

- Consider how it was that you first came to worship in this congregation. Did someone invite you? Do you know someone who came because they were invited? It feels good when someone invites you to share something they enjoy!
- What are you most excited about in our congregation? The worship? The opportunities for spiritual growth and service? The fellowship? What friends, co-workers, neighbors or family members would enjoy the things you enjoy about our congregation? If you'd suggest a restaurant or a movie for them, why not invite them to come with you to worship?
- Of all the people you know, which people in particular (who are not currently involved in a congregation) might be open to an invitation?

Invite

In your prayers this week, lift up the names of everybody you know. Pray for them by name. In your praying, take time to listen to God and how God might be moving you to invite one or more of them to join you for worship or some other activity in our congregation. Know that God is already at work in the lives of the people who come to mind.
